INVESTMENT PORTFOLIO

Investment aims and strategy

The investment aim of the Aon ERF is to reduce volatility of returns. This is achieved by investing predominantly in fixed interest and cash, with a moderate allocation in shares to enhance the potential for the Aon ERF to outperform inflation after fees. The emphasis is on managing risk rather than maximising the investment return.

The Aon ERF invests in funds managed by specialist investment managers. These professional managers each have their own risk management policy statements which specify the use of derivatives. Derivatives are financial instruments with value derived from underlying investments.

Most managers use derivatives such as options, futures and swaps to protect the value of underlying investments or to gain 'synthetic' exposure to the market when there has been a large inflow of cash (eg the purchase of futures contracts to gain exposure to the share market rather than holding cash while waiting to find stocks to buy at an attractive price). The trustee does not invest in derivatives directly.

Investment managers are chosen by the trustee and reviewed from time to time. The trustee has received the risk management statements of each investment held.

Investment objectives

The specific investment objective for the Aon ERF is to achieve a return of at least 0.25% pa above inflation (after fees and taxes) over rolling three-year periods.

The risk rating of the Aon ERF investment is 2 (low) with an estimated number of negative annual returns (after fees and taxes) of 0.5 to less than 1 over any 20-year period.

CORPORATE GOVERNANCE

The trustee

The trustee of the Aon ERF, Aon Superannuation Pty Limited, holds an Australian Financial Services Licence (AFSL No 237465) and a Registrable Superannuation Entity Licence (RSEL No L0000437) issued by APRA.

Through its board of directors, the trustee is responsible for the Aon ERF's strategic direction, compliance with legislation, regulations and superannuation prudential standards, as well as adherence to its trust deed and rules.

The board exercises a 'duty of care' on behalf of members of the Aon ERF and maintains their best interests in its decision-making and strategy process.

Trustee board

The trustee directors during the year were:

- ↘ Trevor Allen—-independent director (resigned from the board in August 2016)
- ↘ Frank Argent
- ↘ Steven Clarke
- ↘ Helen Conway—independent director and deputy chairman (appointed to the board in September 2015)
- ↘ Jennifer Dean
- ↘ Paul Mazoudier—independent director and chairman
- ↘ Michael Murphy
- ↘ Janice Sengupta

Giselle Collins was appointed to the board as an independent director in July 2016, to replace Trevor Allen.

As Aon Superannuation Pty Limited does not employ any staff, all of the directors are 'non-executive' as defined in the superannuation prudential standards. Three of the directors are currently employed by Aon Hewitt Limited and three directors meet the prudential standards' definition of 'independent'.

For profiles of each of the directors, please go to [Governance](#) at erf.aon.com.au

Governance framework

To align its strategic member focus and prudential compliance responsibilities, the trustee has established a governance framework that:

- ↘ is driven by its objectives and strategic intent
- ↘ guides the trustee's governance practices in respect of investment, insurance management and operations
- ↘ incorporates a board governance program and risk management framework, and
- ↘ defines the allocation of management responsibilities.

The trustee has also developed a number of policies to help the directors implement and manage this governance framework.

For more information on the trustee's governance framework and policies, go to [Governance](#) at erf.aon.com.au

Sub-committees

The trustee has established Audit, Compliance and Risk Management, Investment, and Operations sub-committees to assist with the running of the Aon ERF. Each sub-committee has its own charter outlining its responsibilities and delegated authorities.

Compliance

The Aon ERF is administered at all times to comply with provisions contained in the Superannuation Industry (Supervision) Act 1993 and Regulations, the Corporations Act 2001 and Regulations, and other superannuation laws.

Various supervisory functions are carried out by the Australian Prudential Regulation Authority (APRA), the Australian Securities and Investments Commission (ASIC) and/or the Australian Taxation Office (ATO).

No penalties have been imposed on the Aon ERF and/or the trustee for any kind of non-compliance during the 2015/16 year. The trustee is not aware of any matter that would cause the Aon ERF to lose its complying status and expects to continue to comply with all relevant legislation.

Indemnity insurance

The trustee has the benefit of professional indemnity insurance cover to protect the trustee, its directors and the Aon ERF.

Trust deed changes and significant events

The Aon ERF was established by a trust deed dated 16 December 2003 which has been amended from time to time. During the financial year ended 30 June 2016 there was one significant event, being the removal of member benefit protection from 1 July 2015. There were no deed amendments during that period.

The trustee will advise you of any decision within 30 days of the decision being made.

If you have made a complaint and you are dissatisfied with the decision of the trustee, you may have a right to lodge a complaint with the Superannuation Complaints Tribunal (SCT).

If the SCT accepts your complaint, it will try to help you and the trustee to reach a mutual agreement through conciliation.

MORE INFORMATION

Protection of benefits

The Government removed the requirement for member benefit protection from 1 July 2013. That protection meant that administration fees charged to members in each reporting period generally could not exceed investment returns credited to member accounts. The trustee ceased protecting member benefits in the Aon ERF from 1 July 2015.

In the event that the Aon ERF experiences negative earnings, administration fees may be charged, provided the apportionment of those costs between members is carried out in a 'fair and equitable' manner as prescribed by the superannuation regulations. The investment strategy minimises the likelihood of such negative investment returns.

Surcharge

The surcharge tax was abolished for contributions made after 1 July 2005. This will not, however, affect any existing or previous surcharge tax liability you may have incurred. The surcharge may also apply if you have not provided your tax file number to the trustee.

Unclaimed super

If your benefit in the Aon ERF becomes unclaimed super it may be transferred to the Australian Taxation Office (ATO).

The following are regarded as unclaimed super:

- ⌵ Accounts of members who have reached age 65 where:
 - the member is uncontactable, and
 - the account has been inactive for at least two years.
- ⌵ Lost super accounts that:
 - have a balance under \$2,000[†] and have been inactive for five years, or
 - have a balance under \$2,000[†] and the member is uncontactable, or
 - are unidentifiable and have been inactive for 12 months.

Death benefit payments and temporary residents' payments may also be regarded as unclaimed monies.

See the ATO website ato.gov.au for more information on unclaimed super.

[†] The Government has increased this threshold to \$4,000 from 31 December 2015, and will increase it to \$6,000 from 31 December 2016.
