Dear «Given»,

Aon Eligible Rollover Fund – Significant event notice

We are writing to inform you of an important change for the Aon Eligible Rollover Fund.

New trustee

The trustee of the Aon Eligible Rollover Fund is currently Aon Superannuation Pty Limited (ASL).

The trustee is expected to change to Equity Trustees Superannuation Limited (ETSL) (ABN 50 055 641 757 AFSL No 229757 RSE Licence L0001458) in November 2017. ETSL is a wholly owned subsidiary of EQT Holdings Limited. ETSL is a professional superannuation trustee specialist and part of the EQT group that have provided trustee and executor services since 1888.

For more information on ETSL visit www.eqt.com.au.

Why is the trustee changing?

Aon Hewitt Limited, the sponsor of the Aon Eligible Rollover Fund, has decided to appoint ETSL subject to regulatory and other approvals. This appointment of a specialist trustee provides Aon Hewitt with the opportunity to devote more of its resources towards a program of continual improvement that strives to achieve better outcomes for the Trust's members.

What does this mean for you?

You do not need to take any action with regard to this change.

The transition to a new trustee does not change Aon Hewitt's sponsorship of the Aon Eligible Rollover Fund. Aon Hewitt has assured us that this will not trigger any change in fees, terms and conditions, administration, or member support.

The change is expected to take place in November 2017. In the unlikely event that the change does not occur, we will notify you.

If you have any questions about the change in trustee, please feel free to contact us on 1300 880 588 or email us at contactaon@pillar.com.au.

Yours sincerely,

Giselle Collins
Chairman
Aon Superannuation Pty Limited
